

wa **XX**factory.com

proudly presents:

sports waXX
darters choice

is a special blend of different (hydrocarbon-aliphatic and microcrystalline) waxes to increase the grip between hand and barrel to a maximum!

sports waXX
darters choice

will keep your fingers firm and dry without feeling sticky!

sports waXX
darters choice

reduces the risk for the dart slipping to nil and will help provide a precise shot!

sports waXX
darters choice

is already on trial by several world class dartplayers!

You can't train your grip – but you can buy it!

sports waXX
darters choice

... more grip ... more precision ... more success!
